

2021 NSW All Schools

What an impressive start to **day one** with 10 medals, the most Westfields has ever won on the usually quiet first day of competition. Alex Goetz was clearly the outstanding athlete when he not only won the Gold medal in the boys 14 hammer throw however also broke the existing NSW All Schools meet record. He stands alone now as the leading 14 year old in Australia this year. Westfields middle distance athletes Mohamad, Ciara, Jaxson, Raven, Milly and Ava proved our students were the superior school on the day with a 6 medal haul. Our three hammer throwers all picked up medals with new comers Molly Goetz silver and Maddison Kernaghan (bronze). Zoe Sarris leaped to a new p.b. when she won Gold in the girls 13 pole vault with a magnificent 2.40m, an improvement of 20cm.

Day two saw the Westfields Sprinters steal the day with magnificent performances in the 200m. Rashid Kabba defended his State title in a convincing win in the boys 16 years 200m then took silver in long jump. Training partners Aleks Stoilova and Malikye Kessie picked up Bronze medals in their respective 200m finals. Our throwers picked up two medals with Bryce Nolan winning the B17 discus in an impressive 52.51m and Molly Goetz silver in 16 years girls shot put. Le'ati Moefaaou took silver in girls 13 shot put.

On **day three** once again our sprinters dominated with Rashid winning the 100m, Shola winning her age group and Aleks taking Silver in a very close finish. Molly picked up a third throws medal by taking Silver in the shot Put. Bryce Nolan put a magnificent p.b. in Shot Put (17.16m) smashing Mr Wignell's previous school record and winning his second Gold medal. Le'ati won a Silver in the discus taking her medal tally to two silvers.

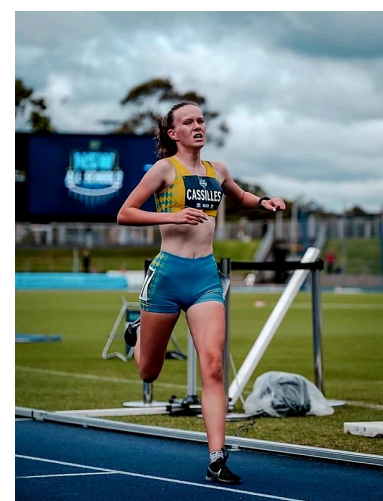

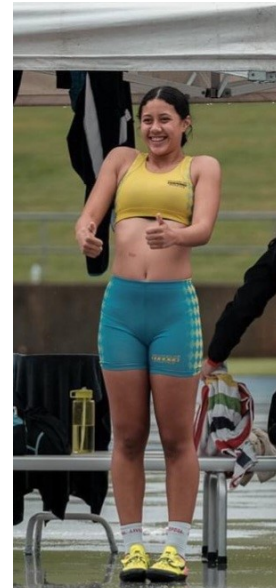

On **day four** Rashid Kabba completed his trifecta (100m, 200m & 110m hurdles) when he won his third Gold medal in the 110m hurdles. His goal was to improve his World number 6 ranking (13.97) and he almost achieved this except for a slight headwind which made it impossible. He was just 0.15 short of the target; a great effort considering the conditions. Maddison Kernaghan repeated her 2020 Silver medal performance in the girls 13 Javelin with a new p.b. Our final tally was 27 medals, the most Westfields has won in a decade.
