

## Westfields Male Records as at 26/05/2024

Due to the Covid cancellation of the Schools CHS season in 2020, 2021 the following dispensation has been allowed. Under normal circumstances performances at non-school based meetings are only considered for Club records (not School records). However, with the cancellation of most school meets during 2020 and 2021 there had been a reduced number of opportunities to break School records. Therefore, for these two years (and any subsequent periods of cancellation) performances from club-based meetings were considered for school records and denoted with 'SRC' (School Record during Covid restrictions)
